All of the SharePoint web parts that you can synchronize to Outlook are 2-way syncs (meaning that any changes you make in SharePoint will automatically synchronize to Outlook and vice versa!) So that means if I add an event to “SharePoint-sync’d Calendar in Outlook, it will appear in SharePoint online Calendar as well.. Mar 09, 2019 How to Sync Outlook Contacts with iPhone This wikiHow teaches you how to sync your Outlook.. It's an app that's typically found on the home screen
